

DMPTool Quick Start Guide

[PDF version]

Contents:

1. Who can use the tool?
2. How do I log in?
3. Overview of tool features
4. How do I create a DMP?
5. Sharing your DMP publicly
6. How do I get help from someone at my institution?

1. Who can use the tool?

DMPTool is free for anyone to create data management plans.

- If you are a researcher from one of the [partner institutions](#), you can log in using your institutional credentials. By being affiliated with your institution, you may be presented with institution-specific guidance (displayed as section-specific instructions and/or resource web links) to help you complete your plan.
- If your institution is not a partner, you can create your own account by selecting “Not in List” as your institution upon login.

2. How do I log in?

Click on **Log In** in at the top-right of the home page. You can also click the green “Get Started” button.

- If your institution is listed:
 - On the Login page, select your institution from the list.
 - Click **Next**
 - Researchers at some institutions will be presented with the institution's authentication page. Log in as you usually do for your institution's web services.
- If your institution is **not** listed:
 - If your institution is not listed, select "Not in List".
 - Click **Next**
 - If you have already created an account with DMPTool, enter the username and password you previously chose and click **Login**. Once logged in, use **My Profile** in the menu bar to manage your password and other information.
 - If this is your first time logging in, click “Create an Account”.

3. Overview of tool features

The screenshot shows the Dmptool interface. At the top, there are four red circular icons numbered 1 through 4, corresponding to the navigation tabs: 'My Dashboard', 'My DMPs', 'Create New DMP', and 'My Profile'. The 'My DMPs' tab is currently selected. Below the tabs, there is a section titled 'MY DMPs' with a sub-header 'All (7) | Owned (4) | Co-owned (3) | Approved (0) | Submitted (0) | Completed (1) | Rejected (0)'. A red circle with the number 5 is placed over the 'All (7)' link. Below this is a table with the following data:

Name	Owner	Status	Visibility	Last Modification Date
Copy of Gordon and Betty Grant	Rosalie Lack	New		04/19/2014 12:24AM
Future of DMPs grant	Rosalie Lack	New		04/18/2014 09:45PM
GBMF plan	Perry Willett	New		04/20/2012 06:51PM
genome title	Instadmin123 Admin	New		04/30/2014 06:36PM

1. **My Dashboard** is your best starting point for managing your DMPs. From here you can get an overview of all your DMPs.

2. **My DMPs** lists of all your DMPs, noting which you own, co-own, and their status.

3. **Create New DMP** allows you to start from a template or you can copy an existing DMP.

4. **My Profile** is where you can update your personal information, including your [ORCID](#). You can also modify your notification preferences. A check mark (✓) in front of a preference indicates you would like to be sent a notification.

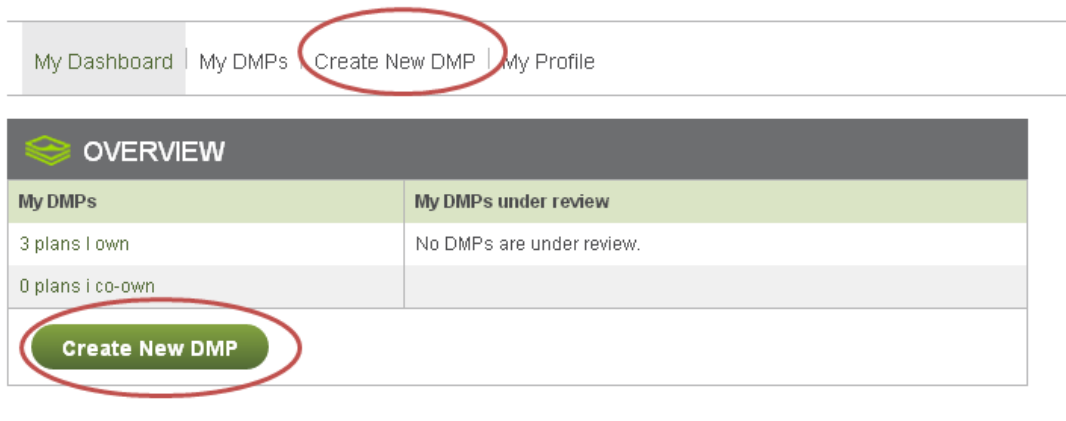

5. DMP States/Status

- **New.** You have created your DMP, but have not Completed it.
- **Owned.** DMPs that you have created.
- **Co-owned.** DMPs for which others have designed you as a co-owner.
- **Completed.** After clicking “Done” on the “DMP Preview” screen, your plan is marked as ‘Completed’.

The following states only apply if your institution has enabled the “Review” functionality. Contact your institutional administrator for more information. (The email address and a URL for help are at the top of the page after you log in.)

- **Submitted.** Your DMP has been submitted for review to your institutional administrator.
- **Approved.** Your DMP has been approved by your institutional administrator.
- **Rejected.** Your DMP has been rejected by your institutional administrator.

4. How do I create a DMP?

After logging in, you will be taken to your **My Dashboard** page, click the **Create New DMP** button below the “Overview” box or in the navigation bar next to **My DMPs**.

There are four steps in the workflow for creating a DMP:

Step #1: DMP Overview: provide general information about the plan, including template name, DMP title, co-owners, etc.

Step #2: DMP Details: provide answers to prompts in your DMP. Click the box size links to fully display section instructions.

Step #3: DMP Preview & Completion: preview the DMP with options to print and download; plan is designated as “Completed”.

Step #1: DMP Overview

You can either: (A) Create a new DMP using a DMP Template; or (B) Copy an existing DMP.

My Dashboard | My DMPs | Create New DMP | My Profile

 **CREATE NEW DMP**

A

Start from a DMP Template

Select a template based on funder guidances and provide responses to those requirements.

Select Template >>

B

Copy an Existing DMP

Select an existing DMP below and amend the requirement responses.

	Name	Owner
<input type="radio"/>	Future of DMPs grant	Rosalie Lack
<input type="radio"/>	Gorden and Betty Grant	Rosalie Lack
<input type="radio"/>	Copy of Gorden and Betty Grant	Rosalie Lack
<input type="radio"/>	test 1.0	Admin123 UCOP Admin
<input checked="" type="radio"/>	test 1.1	Admin123 UCOP Admin

1 2 Next > Last >>

Copy this DMP >>

(A) Start from a DMP Template

1. Click the “Select Template” button.
2. Either browse by or search for a template plan name.

Note: In the A-Z browse list, the folder icons and arrows to the left are clickable to view all templates within the folder.

Note: These templates include those that are customized by your institution.

3. Select the template appropriate for your funder or institution and click “Next”.

My Dashboard | My DMPs | Create New DMP | My Profile

 **SELECT DMP TEMPLATE**

Select one of the funder DMP Templates listed to proceed to the next step. The type of template ch information you will need to provide in the following steps.

A - F

G - L

M - S

T - Z

All

☐  Genome Canada

☐  Gordon and Betty Moore Foundation

☐  Gulf of Mexico Research Initiative

☐  Institute of Education Sciences (US Dept of Education)

☐  Institute of Museum and Library Services

☐  Joint Fire Science Program

☐  National Institutes of Health

☐  National Oceanic and Atmospheric Administration

☒  National Science Foundation

☐  NEH-ODH: Office of Digital Humanities

☐  Smithsonian Institution Digital Asset Management Plan (DAMP)

☒  US Geological Survey

☐  US Geological Survey: Summary 1

☐  US Geological Survey: Summary 2

☐  USGS National Climate Change and Wildlife Science Center (NCCWSC)

(B) Copy an Existing DMP

The list of existing DMPs includes those that you own or co-own as well as those that are visible to everyone at your institution or are publicly available. Select a DMP and click “Copy this DMP”.

After completing (A) or (B), enter the relevant information on the **DMP Overview** page.

My Dashboard | My DMPs | Create New DMP | My Profile

DMP OVERVIEW

DMP Overview

1 **DMP Template** Gordon and Betty Moore Foundation

1 **DMP Title** Moore Foundation grant

2 **Proposal Solicitation Number**

3 **Proposal Submission Deadline**

4 **Visibility**
☐ public
☐ institutional
☒ private

5 **Add Co-owners:** Add co-owners; search by name or email address

<< Back Cancel Save and Next >>

Enter the following information:

1. **DMP Title.** The name should help you identify this specific data management plan and will be listed on the “My DMPs” page. Often DMP titles are similar to project titles.
2. **Proposal Solicitation Number (optional).** Enter the funder solicitation number, if available. This information does not appear in your final DMP.
3. **Proposal Submission Deadline (optional).** Enter the grant submission deadline.
4. **Visibility.** Indicate your preference for DMP visibility. By default, visibility is “private” and can only be viewed by you and your plan co-owners. Other options are “public”: viewable by everyone; and “institutional”: viewable by everyone from your institution.
5. **Add Co-owners (optional).** Designate DMP co-owner(s), who will be able to view, edit, and comment on your plan. They must already have a DMPTool account to be designated a co-owner.

Click “Save and Next”.

Step #2. DMP Details

My Dashboard | My DMPs | Create New DMP | My Profile

DMP Overview > DMP Details > DMP Preview

DMP DETAILS

Institute of Education Sciences (US Dept of Education)

Click on a section below to edit it at any time.

Cancel Changes **5** Save Response Save and Next

1. **Template Outline.** You can navigate among different sections of a template using this outline. As you click a section title in the outline on the left, the prompts, resources, and text box for your answers will appear on the right.
2. **Instructions.** There is **Guidance** for each section of the DMP. There may also be a **Links** tab where you will find links to further information, a **Suggested Response** tab with answers that you can simply copy and paste (not shown), and/or **Example Response** tab to help guide you in writing your response (not shown).
3. **Funder or Institution requirement** statement. These are instructions directly from the funder or institution that is requiring the DMP.
4. **Text box.** Your answers go here. The text box offers a few editing features (located above the text entry box).
5. **Save Response.** Click “Save Response” to save your response and remain in the current section. Click the “Save and Next” button to navigate to the next section in your DMP.

To navigate to other sections of your DMP, use the section links in the Outline in the box on the left. Be sure to save your response before leaving a section.

Step #3. DMP Preview & Completion

The left screenshot shows the 'DMP DETAILS' page for the 'Institute of Education Sciences (US Dept of Education)'. It includes a sidebar with a 'Template Outline' and a main content area with a rich text editor. A green button labeled 'DMP Preview >>' is at the bottom, with a red circle and the number 1 next to it. A red arrow points from this button to the right screenshot.

The right screenshot shows the 'DMP PREVIEW' page. It displays the DMP template information and the content of the DMP. A green button labeled 'Done' is at the bottom right, with a red circle and the number 2 next to it. A green button labeled 'Export as PDF' is at the top left, with a red circle and the number 3 next to it.

1. **DMP Preview** button opens a new window and displays the contents of your entire DMP. You can click this at anytime to preview your plan. Be sure to click “**Save Response**” before clicking **DMP Preview**.
2. **DMP Preview** displays your entire DMP, including section headers and your responses.
3. **Export or Print** your plan as PDF or RTF format, or print your plan.
4. While in **DMP Preview**, you must click “**Done**” to change your DMP status to ‘Completed’. If your organization has set up a “Review” process, you will instead see a “Submit for Review” button. Note: you can always come back and change or add information by clicking on **DMP Overview** or **DMP Details** in the navigation.

The screenshot shows the 'DMP PREVIEW' page for the 'Gordon and Betty Moore Foundation'. It includes a sidebar with 'Export as PDF', 'Export as RTF', and 'Print' buttons. The main content area displays the DMP template information and the content of the DMP. A green button labeled 'Done' is at the bottom right, highlighted with a red circle.

5. Sharing your plan publicly

We encourage DMPTool users to make their DMPs publicly available. This promotes open science and may help others in the community better craft their own DMPs. By default, all plans are “private” – only owners and co-owners can view the plans. To change this, go to **My DMPs**, put your cursor over the plan you would like to share and click “Share”. You can share your plan with everyone at your institution, publicly on the DMPTool website, or keep it private.

You can also go to the **DMP Overview** page and click **Change Status** next to **Visibility**.
